

UbiDuo News - July 2010

Two Shows Appearances:

July Has Been A Busy Month For sComm

We demonstrated the UbiDuo at two major national events: The National Association of the Deaf (NAD) in Philadelphia, and DeafNation World Expo in Las Vegas. Visitors had the opportunity to give the UbiDuo a 'spin'!

The UbiDuo face-to-face communicator presents opportunities to communicate during the time that the sign language interpreter is not present.

UbiDuo demonstrated at both events!

UbiDuo Success Story:

She's Really Fully Involved, Not Only With The Teachers But Also In Discussions

Sierra Walker, a deaf student mainstreamed in a high school in Rockingham County, North Carolina was featured in a local TV news report.

Sierra credits the UbiDuo for being on the honor roll and preparing her for college. When WFMJ reporter McCain used the UbiDuo to ask Sierra how the device has changed her life, Sierra quickly typed, "It helps with my grades."
